Items are being donated to obtain a tax benefit, it is the donor's responsibility to establish fair-market value or obtain expert assistance in establishing any value. The library will acknowledge receipt of donated items, but is unable to set fair-market or appraisal values.

Once a donated item has been added to the library collection, it is considered property of the library and subject to all other library policies.

The Troy-Miami County Public Library accepts gifts and grants under the following conditions:

- Gifts of new or gently used books, or audio-visual items, etc. will be added to the library collection if needed. Once donated, items become the property of Troy-Miami County Public Library and are accepted with the understanding that the Library reserves the right to add them to its collections, donate, sell, or discard them. Donated items will not be returned to the donor. Many of these types of items are given to the Library's Friends group to make money for library activities.
- Any restrictions on gifts, whether donations of monies, books, periodicals, audio-visual materials or art work, must be submitted in writing and approved by the Board of Trustees with the exception of monetary donations for the purchase of a memorial book. Restricted monetary gifts will be accepted on the condition that the specific use requested is consistent with the goals and objectives of the Library.
- Monetary gifts, bequests, and memorial or honorary contributions are particularly welcome. Funds donated will be used to purchase items necessary for the Library. Books and other materials purchased with bequests and memorial or honorary contributions will be identified with special donor plates whenever possible. If requested at the time the donation is made, notification of memorial or honorary contributions will be sent to the family of the person being recognized. Suggestions for subject areas or other areas of interest are welcome and will be followed to the extent that such items meet the library's selection policy and collection needs.

3. Teacher Cards will expire yearly on September 1 and can be renewed on the bookmobile, in person at any location, or by calling and speaking to a member of the Outreach Department or the Youth Services Department.

Collection Development Policy

Approved May 20, 2015

Revised: May 18, 2022

Revised: October 18, 2023

The Troy-Miami County Public Library Board of Trustees and staff fully endorse and affirms the following objectives:

- To serve all people
- To provide a variety of materials and programming for informational, educational, recreational, and cultural needs
- To provide qualified staff to give guidance in the use of materials
- To provide access for all people
- To initiate a leadership role in the community to serve as a link between the individual and the community
- To inform the public of Library resources and services
- To support intellectual freedom

In a free society, information on different points of view should be readily available to allow individuals to decide which ideas are meaningful to them. The public library is the institution that provides free access to these ideas. The Library, consequently, has the responsibility for selecting materials, which reflect a wide variety of ideas and may contain controversial points of view. Since the Library has a responsibility to protect the rights of all users, it does not limit the use of its collection. Library staff may offer guidance in selection; however, monitoring the reading, listening, and viewing of children is the responsibility of their parents or legal guardians. At no time will library staff act in loco parentis. Selection of materials will not be inhibited by the possibility that items may come into the possession of children.

The needs, interests and points of view of the Library's community range over the spectrum of all subjects inherent to contemporary society. The Library has a responsibility to provide a diversity of materials in various formats. Materials are selected to reflect changes in educational, cultural and intellectual ideas and the impact of new technology within the limitations of budget and space.

The selection of any material for the collection does not constitute an endorsement of its content. Selection decisions are made on the basis of merits of the work, meeting the needs of users, and serving the interests of users.

Criteria for Selection

While a single standard cannot be applied to each potential item for selection, materials are judged by the following criteria:

- Public demand

- Accurate and authoritative information
- Price
- Historical or cultural significance to Troy and Miami County
- Critical reviews or publicity
- Duplication of content in other formats
- Currency of information
- Availability of material elsewhere within our local and state library lending partner's collections
- Potential and/or known demand for the material
- Relevance to community needs
- Relative importance in comparison with existing materials in the collection on the same subject

These criteria apply to purchased and donated materials as well as special collections.

Special Collections

From time to time, the Library may establish a special collection on a temporary basis or as a permanent collection, such as the Local History collection. A special collection may be developed to meet a particular need in the community or may be established to provide a comprehensive collection of works deemed necessary to address a topic in greater detail. The rules governing the purchasing of books and materials for special collections will be applied the same as the general collection.

Self-Published Materials and Local Authors

The library is often asked to include items that are written and/or published independently, including materials that are self-published or published through a vanity press company. The library looks for materials with regional connections and collection relevance that will appeal to a wide audience. Materials must meet the standards of this policy. Works added to the collection are subject to current weeding policies and procedures. Some items may not appear in the catalog because they do not meet cataloging minimum requirements.

Weeding

The Library weeds its collection on a regular basis to keep the collection current and as a timely resource for the community. The library staff will generally follow the principles established in The CREW Manual for Modern Libraries by Jeannette Larson for detailed guidelines for weeding. (CREW is an acronym for Continuous Review Evaluation & Weeding.)

Weeded materials will be donated to the Friends of the Library for book sales or disposed of through other means determined by the Library.

The process and decision to deselect an item takes into account the same criteria used when the item was first selected for inclusion in the collection. In addition, criteria such as obsolete information, insufficient use, excessive wear and tear, space availability, and changing user

interests are considered. Duplicate copies and items superseded by newer editions are reviewed for possible deselection.

Gifts and Donations

Gifts of miscellaneous books or other materials are accepted with the understanding that items which are not added to collections will be disposed of at the discretion of the Library. Any proceeds derived from such disposal may be used at the discretion of the administration for library improvement or staff development.

See Acceptance of Gifts Policy for additional information.

Statement of Concern Regarding library Resources

When patrons have concerns about specific material(s) in the collection, they should raise the concerns with the appropriate library staff. If the patron's concerns remain unresolved, they will be provided a "Statement of Concern" form. A Statement of Concern may be filled out by any Miami County resident. No form will be considered without a contact name and address or email included. Upon receipt of the completed form, the library director, in consultation with library staff, will review it using criteria from the Collection Development Policy and respond to the user. The Library Director will report results of all reviews to the Library Board of Trustees.

Freedom to Read Statement

Adopted August 16, 2023 by the Board of Trustees of Troy-Miami County Public Library

The freedom to read is guaranteed by the Constitution of the United States. As a library, we wish to uphold this freedom by ensuring the public has a wide variety of reading options.

We therefore affirm these propositions:

- 1. We strive to make available the widest diversity of views and expressions, including those that may be perceived by some as unorthodox, unpopular, or considered dangerous by others.*
- 2. Librarians do not necessarily endorse every idea or presentation they make available. They do not set their own political, moral, or aesthetic views as a standard for determining what should be published or circulated.*
- 3. Librarians will not bar access to writings on the basis of the personal history or political affiliations of the author.*
- 4. We will not make any efforts to coerce the taste of others, to predetermine the suitability of topics for particular age groups, or to inhibit the efforts of writers to achieve artistic expression.*
- 5. We will not attempt to influence a reader to accept the prejudgment of a label characterizing any expression or its author as subversive or dangerous.*
- 6. As guardians of the public's freedom to read, Librarians will challenge encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large; and by the government whenever it seeks to reduce or deny public access to public information.*
- 7. Librarians will support the full meaning of freedom to read by providing books that enrich the quality and diversity of thought and expression.*

We realize that the application of these propositions may mean the dissemination of ideas and manners of expression that are objectionable to some people. However, while we acknowledge that some ideas can be dangerous, we are committed to preventing the suppression of ideas which would thereby limit a significant freedom established by our Constitution.

Troy-Miami County Public Library's mission statement says the library will "provide opportunities to enrich, empower, educate, and entertain Miami County residents." We strive to make this statement true for all members of our community.

A regular purchase order should be created and approved by the Fiscal Officer for every purchase, or there must be a blanket purchase order for the correct account code, before the purchase is made. Total monthly charges on a credit card shall be less than the monthly limit set by the Director.

The Fiscal Officer will work with the appropriate financial institutions to determine the best type of credit card accounts for the Library. Additionally they will work with local merchants that may issue store credit cards that the Library may wish to utilize.

Other responsibilities between the financial institution and Fiscal Officer include:

- Expiration dates and re-issuance of replacement cards.
- Cancellation or adjustment of credit limits.
- Notification of lost or stolen cards.

The Library Board of Trustees will appoint a Compliance Officer to review all credit card accounts every six months, including the number of accounts and issued/active cards, account expiration dates, and credit limits. The Compliance Officer may use a credit card only if authorized by this policy.

The Compliance Officer may not authorize Library personnel to use a credit card, except the Library Director, serving in the role as Compliance Officer may authorize such use in accordance with this policy.

Prior to the initial receipt of a credit card, each individual must agree to and sign the credit card policy employee acknowledgement.

Each purchase made using a credit card will require ~~director approval~~, proper documentation (such as an order form or packing list) or an itemized receipt depicting the amount paid, the vendor, date, and the goods/services purchased to be submitted to the Fiscal Officer promptly. All documentation to support the expenditure must be sent to the Fiscal Officer prior to the receipt of the monthly statement. Non-itemized cash register receipts or handwritten requests will not be accepted. In the case of a lost receipt, it is the employee's responsibility to obtain a new receipt or provide reimbursement for the purchase.

The purchase of restricted items including, but not limited to alcoholic beverages, will be the sole responsibility of the charger.

Use of a credit card for personal expenditures or expenditures in excess of the assigned credit limit may constitute misuse. Any employee engaging in misuse will be responsible to reimburse the Library for any unauthorized expenditures and may be subject to disciplinary action up to and including termination.

The Director may authorize other employees to make purchases from time to time as needed. If this occurs, the card will be signed out by the employee and returned promptly with the required receipt. The return date will be recorded into the Fiscal Officer's record book. Only the individual who signed out the card may use the card. Use of the card is limited to the library employee whose name appears on the face of the card unless expressly authorized by the Director. Employees may request to use a loaned TMCPL credit card for preapproved purchases. Loaned credit cards must be returned to the Fiscal Officer or his/her designee within one business day of purchase or two business days after return from travel.

The Library is exempt from sales tax, and all reasonable efforts should be made to ensure that sales tax is not charged by vendors in connection with purchases made via credit card. A tax exemption certificate is available upon request in the Fiscal Officer's office.

All personnel are required to promptly notify the Fiscal Officer when they become aware that a credit card has become lost or stolen. Additionally, if any employee becomes aware of unauthorized or fraudulent use of the credit card accounts they must immediately report this to the Fiscal Officer and Director.

All monthly credit card statements and other correspondence associated with the credit card accounts will be sent to the Troy-Miami County Public Library, 419 W. Main Street, Troy, OH 45373. Payment of the monthly statements should be made in a timely fashion so that finance charges and late payments are not incurred.

On a semi-annual basis, the Fiscal Officer will submit a report to the Library Board of Trustees regarding all credit card rewards received by the Library. Rewards points and gifts associated with credit cards are the property of the library and require Director approval to utilize.

Each employee is responsible for the safekeeping of any credit card in their possession. It is important to protect and not divulge the account number, CVV or other pertinent information except to the vendor in order to make the authorized purchase. Employees are personally responsible for any unauthorized credit card expenditures and any expenditures made in violation of the Library policy.

Credit cards are the property of the library and must be returned to the Fiscal Officer or Director upon termination of employment with the Library.

Credit Card Responsibility and Use Procedures

A. Proper documentation is to include:

- A hardcopy printout for any items ordered online.

B. Examples of documentation not allowed:

- Handwritten requests for reimbursement without receipts or other verification.

The Library is exempt from sales tax, and all reasonable efforts should be made to ensure that sales tax is not charged by vendors in connection with purchases made via credit card. A tax exemption certificate is available in the Fiscal Officer's office. In some cases, if you merely mention to the vendor that the purchase is tax exempt, no sales tax will be charged.

Safekeeping. You are responsible for the safekeeping of the credit card. You shall not permit anyone else to use the credit card or disclose to anyone (other than the vendor/merchant in connection with a purchase) the card account number, CVV, or other pertinent account information.

Unauthorized Use. If you become aware of any unauthorized or fraudulent use of the credit card, or if the credit card is lost or stolen, you must immediately report same to the Fiscal Officer and Compliance Officer.

The collective sum of the individual differences, life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities, and talent that our employees invest in their work represents a significant part of not only our culture, but our reputation and organization's achievement as well.

All employees of TMCPL have a responsibility to always treat other employees and library patrons with dignity and respect. All employees are expected to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other organization-sponsored and participative events.

Any employee found to have exhibited any inappropriate conduct or behavior against others may be subject to disciplinary action.

Employees who believe they have been subjected to any kind of discrimination that conflicts with the organization's diversity policy and initiatives should seek assistance from the Human Resources manager or the Executive Director.

Inclusion: The act of creating an environment in which all individuals are treated fairly and respectfully, have equal access to opportunities and resources, and contribute fully to the organization's success.

Disposal of Surplus Materials and Equipment

[Approved March 21, 2011, by the Troy-Miami County Public Library Board of Trustees]

The Fiscal Officer is authorized by the Board to dispose of library materials, furniture, or equipment that staff has determined is no longer functional or useful.

The library Director or designated staff member may sell or discard such items, or, when an item cannot be readily or practicably sold by the library, may give such items to a nonprofit organization or governmental unit.

Sale or Donation of Surplus Items

Items may be stored until enough are gathered to have a sale of the surplus furniture and equipment. The Fiscal Officer can note on specific items if there is a minimum bid price. In a case where the estimated market value of a surplus item to be sold is in excess of \$1,000, a written sealed bid procedure will be followed or a sold at a live, publically announced auction. If only a few items are to be sold or there are severe space limitations, a price will be established by the Fiscal Officer (referencing the age, condition and original price, if known) and these items will be sold to the first person presenting payment. Surplus property may be donated or sold to another library or other non-profit organization. The price will be established by the Fiscal Officer based on negotiations with the other organization. Items that may be difficult to sell may be sold to recycling companies, scrap metal dealers, liquidators or auction houses. Surplus property may also be discarded if it is deemed to be in such poor condition that it is not worth storing until a sale is held. Proceeds from the sale of items will be deposited to the General Fund of the Library.

Restrictions on Surplus Sales

The staff member who declares an item to be surplus, and any members of his/her immediate family, are not permitted to purchase any sale item.

Purchases also will not be permitted by the Director, Fiscal Officer, or members of the Board of Trustees and their immediate family members. If an item of surplus inventory is believed by the Director or Fiscal Officer to have unusual, historic, or artistic value such items may be referred to the Board for determination of value; that evaluation process may require the services of a professional appraiser or outside expert opinion.

Surplus Sale Notification

Notification of items for sale may be posted on the Library's website, public bulletin Boards in the library, or in news releases to the community newspapers. The notification will advise potential buyers that items will be sold as is with no guarantee and must be removed at their own expense by a specified deadline.

I. **POLICY**

Troy-Miami County Public Library is committed to providing facilities that are functional and safe for staff and patrons. If a facility problem (i.e. gas leak, power outage, water loss or serious damage, loss of heat or air conditioning) arises and the facilities manager and director cannot be reached, the branch manager or any manager may make the decision as to the need for immediate action.

II. **STAFFING**

Exempt staff members are expected to work either from an alternative location or from home.

III. **PROCEDURES**

1. The facilities manager or director may be contacted for assistance and guidance in determining the best course of action. Examples of things needing immediate attention include, but are not limited to:

4. If a power outage occurs during the day, there may be sufficient light to allow patrons to remain in public spaces with windows until the likely duration of the power failure can be determined. Under most circumstances, the decision to close will not be made until the location has been without power for more than one hour.
5. Fire alarms and security alarms are communication lines separate from the power systems and should remain functional in a power outage.

Damaged items should not be discarded until a claims adjuster has assessed the damage.

8. If the decision to close the library is made, the manager or staff member in charge should inform the Executive Director and Facilities Manager and post signs on all entrances advising the public why the library is closed.
9. If safe and functional, staff members may be permitted to remain in the building until it has been determined whether the emergency is likely to be corrected prior to the regular closing time.

Employee Background Checks Policy

Approved: August 12, 2015

Revised: December 21, 2022

All offers of employment with the Troy-Miami County Public Library are contingent upon clear results of a thorough background check. In certain cases an employee may be allowed to begin work before background check results are received, however continued employment will be contingent upon a review of the results.

Background checks will include:

- Social Security Verification: validates the applicant's Social Security number and date of birth
- Criminal History: includes review of criminal convictions and probation. The following factors will be considered for applicants with a criminal history:
 - The nature of the crime and its relationship to the position.
 - The time since the conviction.
 - The number (if more than one) of convictions.
 - Whether hiring, transferring or promoting the applicant would pose an unreasonable risk to the Library, its employees or its patrons and vendors.

The following additional background searches will be required if applicable to the position:

- Motor Vehicle Records: provides a report on an individual's driving history. This search will be run when driving is an essential requirement of the position.
- Credit History: confirms candidate's credit history. This search will be run for positions that involve management of Library funds and/or handling of cash or credit cards.

Procedure

Once an offer of employment has been extended, candidates must complete a background check authorization form. Background checks are conducted through the Miami County Sheriff's Office or the Miami County Commissioner's Office. Results will be reviewed by the HR Manager.

In instances where negative or incomplete information is obtained, the Library Director and HR Manager will assess the potential risks and liabilities related to the job's requirements and determine whether the individual should be hired. If a decision not to hire, retain or promote a candidate is made based on the results of a background check there may be certain additional Fair Credit Reporting Act (FCRA) requirements that will be handled by Human Resources.

Any cost associated with obtaining a background check incurred by the candidate/employee will be reimbursed upon submission of a receipt.

[Approved April 20, 2011 by the Troy-Miami County Public Library Board of Trustees]

When these spaces are not otherwise in use, the library may provide, at its discretion and subject to the stipulations below, space for the display or exhibit of collections or materials which are of general interest to the public.

Displays or exhibits promoting local educational, cultural, or recreational opportunities are encouraged. The following categories of exhibit material are specifically excluded: displays which only serve to advertise active business or commercial ventures; and partisan materials which promote current political candidates, campaigns, parties, or issues. Requests for display space will be made on the Exhibits and Displays Form and approved by the director. Placement of displays will be at the discretion of the director. Requests for space are filled on a first-come, first served basis. Displays typically will stay up no more than two weeks.

The presence of a particular display in the library does not necessarily indicate that the library either advocates or endorses the viewpoints of exhibits or exhibitors.

The library assumes no responsibility for the preservation, protection, or possible damage or theft, of any item exhibited or displayed. Fiscal Policy

Approved: February 19, 2020

Revised: August 21, 2024

The Troy-Miami County Public Library Board of Trustees establishes a Fiscal Policy to ensure good stewardship of all revenues and to comply with the Ohio Revised Code, laws of the United States and its agencies, requirements of the Ohio Auditor of State, and procedures of the Miami County Auditor's Office. All additions and changes to this Fiscal Policy must be approved by the Board of Trustees. The Board authorizes the Fiscal Officer to establish Financial Procedures (separate from the Fiscal Policy but listed here) approved by the Executive Director which will be reported to the Board but are not subject to Board Approval.

FISCAL OFFICER AND DEPUTY FISCAL OFFICER

In compliance with ORC 3375.36-3375.39, the Board will appoint a Fiscal Officer who will be responsible for receipting all funds, making payments, financial reporting, investing funds, maintaining banking relationships, administering financial and accounting systems, compliance with all financially-related laws and regulations, securing insurance coverage, serving on the Public Records Commission, and other financial duties of the Library as enumerated in the Fiscal Officer Job Description. The Fiscal Officer will create and maintain budgets with the Executive Director and input from managers to be approved by the Board of Trustees.

The Board may also appoint a Deputy Fiscal Officer, who along with the Fiscal Officer will be appointed annually for a term of one year. The Fiscal Officer may delegate tasks to a Deputy Fiscal Officer or other administrative assistant for which the Fiscal Officer is responsible and may be legally delegated.

At the beginning of each term of the Fiscal Officer, the Board will issue an Order to Pay Certificate to the Miami County's Auditor Office authorizing the Fiscal Officer to exercise the functions of Fiscal Officer.

FINANCIAL REPORTING

At the end of every month, a bank reconciliation reflecting the balance of all accounts except the Endowment Fund held by the Troy Foundation will be completed prior to preparing monthly financial statements for the Board of Trustees. The Troy Foundation Endowment account will be reconciled quarterly, one month in arrears due to the frequency and timing of the Foundation's quarterly account statements. The following financial statements will be prepared that reflect the current financial position of the Library and sent to the board the week before the monthly meeting:

1. Summary of the bank reconciliation.
2. Listing of all bank and investment beginning and ending balances.
3. Listing(s) of all accounting, withholding and payroll payments with payroll payments summarized by pay period to protect employee privacy.
4. Listing of all receipts for the month.
5. Summary of all funds showing beginning balances, revenue, expenditures, encumbrances, and fund balances by fund.
6. Statement(s) showing all appropriations, revenues, and expenditures for the month and year by fund, program, and object category.

FUNDS ESTABLISHED BY THE BOARD

General Operating Fund

This fund is used for the operation of the Library and to account for all financial resources not accounted for or reported in another fund. Receipts include the Public Library Fund, property tax revenue, unrestricted contributions, fees, refunds, and interest. This fund is appropriated at the program code level.

Ada Pressman Fund

This fund was established when the Library received a substantial, unrestricted gift from the estate of Troy Native, Ada Pressman. The fund was separated from the General Operating Fund to allow the Board of Trustees to monitor and control the use of the fund. Appropriations and expenditures require prior approval by the Board. When submitting the Annual Financial Report to the Ohio Auditor of State, this fund will be consolidated with the General Operating Fund. This fund is appropriated at the fund level.

Imagination Library Fund

This restricted fund is used for the operation of the county-wide Dolly Parton Imagination Library Program that provides books free of charge for registered children from birth to five years of age. Receipts include restricted donations from individuals, agencies, foundations and fundraisers to assure continued funding. This fund is appropriated at the fund level.

Building & Repair Fund

This restricted fund is used for major renovations, new construction, or extensive repairs required for the upkeep of the Library. This fund is appropriated at the fund level.

Bookmobile Replacement Fund

This restricted fund is to build a reserve of monies for future replacement of the Bookmobile. This fund will be appropriated at the fund level when it is needed to be used.

Special Revenue Fund

This fund is for the accounting of grants, gifts, and contributions of a significant amount which are restricted by a donor or other external party. This fund may be separated into sub-funds with the use of UAN cost centers to help with the accounting of the expenditures. This fund is appropriated at the Fund Level.

Establishing New Funds

New funds can only be created by a resolution of the Board of Trustees and approval of the Ohio Auditor of State's Office, unless a separate fund is required by the federal government to account for a newly awarded federal grant. The new fund number must be a four-digit number which conforms to the rules for Library Fund Numbers established by the Ohio Auditor of State's Office and documented in the UAN Accounting Manual.

TRANSFER BETWEEN FUNDS

Transfers from the General Operating Fund to other funds require prior approval by the Board of Trustees.

as cited from the 1982 Attorney General’s opinion no. 82-056. Such authority shall be exercised through a resolution of the Library Board upon the recommendation of the Fiscal Officer or Library Director. Transfers from other funds might also require release from donor restrictions or other conditions.

SOURCES OF FUNDS

State Funds

The State currently supports public libraries by distributing 1.7% of the General Revenue Fund’s monthly revenues to the counties in the form of the Public Library Fund. Each month the County Auditor electronically communicates the amount of PLF to be distributed to each library and then deposits that amount in their checking account. Currently, Troy-Miami County Public Library receives 40.79% of the PLF distributed to Miami County based upon a long-standing agreement between the libraries in the county which considered several factors including area served and population.

Levy Funds

The Library also has a continuing tax levy. The funds are collected and reported by the Miami County Auditor on a semi-annual basis. After the Auditor’s Office makes an electronic deposit into the Library’s checking account, the Fiscal Officer records the gross amount of the receipts as revenue and the tax collection fee (which the County Auditor deducts) as an expense.

Additional funds

Additionally, the Library may receive funds for lost materials, the cost of services provided to patrons, and restricted and unrestricted donations from a variety of sources. The Library also applies for federal, state, and local grants as opportunities to do so arise.

GENERAL LEDGER

The accounts for the general ledger will consist of revenue accounts and expense accounts with unique general ledger (GL) codes for each. New accounts can be created by combining the segments which are described below.

Revenue GL Codes

General ledger revenue codes consist of three segments or codes:

- Fund Code: Four digits representing the fund with which the account is associated.
- Revenue Code: Three digits signifying the source of funds. The codes which can be used are specified by the Auditor of State and described in the UAN Accounting Manual.
- Cost Center: A four-digit code consisting of either zeroes, or a code specified by the Fiscal Office. See below for more detail.

Appropriation GL Codes

General ledger appropriation codes are often referred to as expense codes and consist of four segments or codes:

- Fund Code: Four digits representing the fund with which the account is associated.
- Program Code: Three digits which indicate the category of expense. These are specified by the Auditor of State which requires that they be used. The use of summary codes (e.g.

100, 200, etc.) is not permitted The following are the codes which the Library uses or is likely to use, but does not include all codes available:

Program Code	Program Name
110	Public Service and Programs
120	Collection Development and Processing
210	Facilities Operation and Maintenance
220	Information Services
230	Business Administration
750	Intergovernmental
760	Capital Outlay
800	Debt Service
910	Transfers (between funds)
920	Advances (between funds)
930	Contingencies

Object Code: Three digits which indicate the type of expense such as salaries, benefits, services, supplies, etc. The available codes which can be used are defined by the Auditor of State.

Cost Center: A four-digit code consisting of either zeroes, or a code specified by the Fiscal Office. See below for more detail.

COST CENTERS

Cost centers are the only code which can be created by the Fiscal Office. They can be used to separate out revenues and expenditures by departments within program codes, grants, restricted gifts (grants not awarded by a government), etc.

DEPOSIT OF RECEIPTS

The Fiscal Officer in consultation with branch managers will create and execute procedures for the receipt of cash and checks received for fees, donations, and other sources at the branches and Fiscal Office. These procedures will be approved by the Executive Director. The procedure will specify the amount of cash to be maintained at the branches in cash drawers, safeguarding of monies, instructions for counting receipts and transferring them to the Fiscal Office. Collected fees in excess of that maintained in cash drawers will be transferred to the Fiscal Office on a weekly basis. The Fiscal Office will then deposit those receipts weekly. Checks totaling more than \$1,000 will be deposited no later than the business day after they are received.

EXPENDITURES & PAYMENTS

The Board of Trustees acknowledges the importance of legal compliance, accuracy, and timeliness in the payment of library obligations.

PURCHASING AUTHORIZATION

The Library Board authorizes the Library Director to expend funds through the issuance of purchase orders as required to operate the library within the parameters of the duly approved budget and appropriations.

In the absence of the Library Director, such authority shall be designated to the following: President, Vice-President, other Board Member or Director's designee.

Certification of purchase orders shall be the responsibility of the Fiscal Officer's office; certification shall be executed by the Fiscal Officer, or in the absence of this individual, a Fiscal Officer's designee.

Regular Purchase Orders are used for a single order of a limited number of items or services. They should be requested prior to the purchase. The request should be accompanied with a quote, estimate, shopping cart list (before the order is placed), or other supporting documentation.

Blanket Purchase Orders are used for the following purposes:

- Payments made on a routine basis such as utilities, rent, and insurance benefits.
- Books purchased for collections from our primary vendor(s).
- Small purchases made repeatedly from the same vendor such as maintenance supplies from a specific store.
- Small office supplies.
- Supplies for programs.
- Professional development/travel where the cost will be paid to multiple vendors. A super blanket P.O. will be created for each professional development event.

SALES TAX

As a political subdivision of the State of Ohio, purchases by the library are exempt from state sales and use taxes, and from Federal excise taxes. A Blanket Certificate of Exemption is available from the Fiscal Officer.

REQUESTS FOR QUOTATIONS AND PROPOSALS

For those purchases not falling under the requirements of section 3375.41 of the Ohio Revised Code as detailed at the end of this section, quotations for prices are required for the purchase of any good or service over \$5,000 in total. Contracts with one vendor for a similar good or service cannot be split in order to override this requirement. The employee wishing to purchase goods or services over \$5,000 in total must secure at least two written quotes from two different vendors, with three quotes preferred. If it is determined by the Director that there is only one vendor that specializes in this type of good or service, a quotation from only one vendor will be acceptable.

The only exceptions to the \$5,000 threshold are:

- Proprietary software systems (e.g. Polaris) and support agreements used by the library
- Ongoing purchases of library materials
- Legal services for administration

Employees requesting quotations must set a firm date and time deadline for vendors to submit quotes, and may not divulge quotes received to any vendor in order to ensure that all quotations are considered fairly and equally. Managers are responsible for choosing the best possible quote and attaching all quotes following regular purchasing policies to be submitted to the Executive Director for approval.

Employees may divulge all quotes received to vendors if requested, but only after the best quote has been accepted. Final selection of quotations for goods and services will be those that are in the best interest on and/or represent the best value to the library.

FORMAL BIDDING EXCEEDING \$75,000

The Library Board is required to follow the formal bidding procedures outlined in Ohio Revised Code (ORC) § 3375.41 when it “determines to construct, demolish, alter, repair, or reconstruct a library or make any improvements or repairs, the cost of which will exceed seventy-five thousand dollars (\$75,000), except in cases of urgent necessity or for the security and protection of library property.” The purpose of this policy is to secure the best possible price for the Library of goods and services purchased by notifying prospective vendors that quotations will be taken.

PROFESSIONAL DEVELOPMENT AND TRAVEL EXPENSES

Conference attendance by library staff shall be authorized by the Library Director within limits of operational policies and within the confines of the budget and appropriation. Refer to the Employee Handbook for further details of professional development expenditures and reimbursement policies.

EXPENDITURES REQUIRING BOARD APPROVAL

Certain expenditures require prior approval of the Board of Trustees depending on the size or nature of the expenditure. Those include:

- Any individual item purchases not already approved or listed in the budget or appropriations which exceed \$5,000 shall be approved by a motion of the Library Board. The Library Director shall approve the purchase and then forward the recommendation to the Library Board.
- Changes in wages, insurance, or other benefits not budgeted.
- Purchases from the Ada Pressman Fund.
- Construction contracts exceeding the current threshold per section 3375.41 of the Ohio Revised Code shall be publicly bid.

However, the Board authorizes the Director, or their designee to secure goods and services without prior approval *in cases of emergency or where the security and protection of library property or members of staff are threatened*. Examples of emergencies include fires, floods, storm damage, or theft, damage to building or property. In these situations, details of the agreement or contract must be provided to the Board at their next regular meeting.

CONTRACTS

The Library Director, as chief administrative officer of the library, or the Library Director's designee, in the absence of the Library Director, shall have the authority to purchase items of equipment or any supplies needed for the routine and normal operation of the library for which funds have been appropriated.

Furthermore, the Library Director, or the designee, in the absence of the Library Director, shall have the authority to sign, approve, and otherwise endorse service agreements, contracts for the lease of circulating materials and subscriptions along with such other operating and maintenance agreements necessary for the safety and protection of the library, its property, staff and the general public for which funds have been appropriated.

Except in extraordinary circumstances, only an officer of the Library may sign contracts.

PROCEDURES FOR SALE OF PROMOTIONAL ITEMS OR CONSUMABLES

- The Library Director may authorize the sale of promotional items purchased by the library on a situational basis. Promotional items purchased with public funds shall be sold at cost.
- Consumable items may also be sold by the library at cost.

FINANCIAL DISASTER RECOVERY PLAN

In the event of a natural disaster that destroys the permanent records, computer systems, and financial records of the Library, the following steps will be taken to recover the records and computer systems destroyed.

1. Replace all computers destroyed by the natural disaster.
2. Retrieve computer back-up disks kept offsite. This includes the UAN drives and the necessary software for staff and patron computers.
3. Upload pertinent back-up disks to servers, staff and patron computers.
4. Verify that the upload was successful.
5. Resume daily activities.

ACCOUNTS PAYABLE AND OTHER PAYMENTS

Accounts payable checks are issued biweekly. Checks for goods and services purchased by the library, per Ohio Revised Code 3375.35, must be signed by an officer of the Board of Trustees along with either the Fiscal Officer or Deputy Fiscal Officer. Facsimile signatures may be used. The Fiscal Officer is responsible for securing signatures and check stock. If required by the President or other signing officer, the Fiscal Officer will transmit a report of invoices to be paid for approval prior to issuing checks with facsimile signatures. Bank signature cards and facsimile signatures will be updated with any change in officers or positions as soon as possible.

Payments may be made by EFT or ACH when required by vendors of monthly services or other special circumstances based on the discretion of the Fiscal Officer.

A check stub is filed with the payment detail for audit purposes. Due to concerns of theft at USPS standalone mailboxes, checks are to be mailed by taking the payment envelopes to the local post office and dropping in the mail slot inside the post office.

PROGRAM PRESENTERS AND INDEPENDENT CONTRACTORS

All contracted workers are paid through accounts payable. Contracted workers must have on file a current W-9 form, and an Independent Contractor/Worker acknowledgement form for the Ohio Public Employees Retirement System before payment will be processed. If compensation is over \$600 in any calendar year, they will be issued a 1099 nonemployee compensation or miscellaneous information form, which is then filed with the Internal Revenue Service.

EMPLOYEE REIMBURSEMENTS

Employees requesting reimbursement for expenditures relating to Library business, such as programs,

travel, mileage, or other library business, must complete an expense reimbursement form, along with detailed receipts. The form and receipts must be approved by the employee's supervisor prior to submitting them to the Fiscal Officer for payment.

These expenditures must be pre-approved, as specified in the Employee Handbook.

Ohio sales tax will not be reimbursed, if paid. Ohio Sales Tax & Use Tax Exemption Certificate exemption forms are available from the Fiscal Officer. Mileage will only be reimbursed for employees driving on authorized and approved Library business at IRS approved rate at time of travel. The Fiscal Officer shall update the Travel Reimbursement form whenever the IRS changes the approved mileage rate.

PAYROLL

Payroll is processed on a bi-weekly basis for all employees. Timesheets are to be approved by the employee's supervisor or in the absence of the supervisor, the Director or Human Resources Manager. All funds are deposited directly into employee bank accounts by Friday of the payroll processing week. Whether the payroll is processed in house or by a third-party company, the Fiscal Officer is responsible for making sure the taxes and other deductions are paid in a timely manner. Additional procedures and policies for payroll can be found in the Employee Handbook.

ANNUAL APPROPRIATIONS BUDGET

The Library Board must adopt either a temporary or permanent appropriations budget by January 1st of each year in order to continue spending funds. If a temporary appropriations budget is used, a permanent budget resolution must be adopted and reported to the County Auditor no later than March 31st.

Total appropriations for each fund cannot exceed total resources available on the Official Certificate of Estimated Resources from the County Auditor. Appropriations can be amended any time during the fiscal year by Board resolution, but cannot exceed total resources as listed on the Amended Official Certificate. These resources include both estimated revenues and fund balances. The County Budget Commission meets in August to determine the amount of the Public Library fund estimate and the distribution to the other libraries in the county. The Fiscal Officer prepares a tax budget in time to be approved by the Board of Trustees and submitted to the Miami County Budget Commission by the deadline which the County establishes each year.

The Fiscal Officer will prepare the temporary and permanent appropriation budgets with input from the Executive Director and departmental managers, with the Executive Director having final approval over budgets for submission to the Board of Trustees.

Certificate of Total Amount from All Sources Available for Expenditures and Balances

This certificate is completed by the Fiscal Officer as soon after the budgetary year-end as possible and sent to the County Auditor's office. The purpose of the form is to report any actual unencumbered fund balances and to adjust estimated revenues if necessary.

CONTINGENCY

A maximum of 3% of the Library's total budget, per ORC § 5705.29(A)(1), can be budgeted by the Library in a contingency account. The contingency allows the Library Board to temporarily appropriate monies for

unexpected disbursements during the fiscal year. Monies cannot be expended from the contingency appropriation account, but can be transferred to any other appropriation account by the Fiscal Officer following rules of transfers and amending the Official Certificate.

BUDGETARY LEVEL OF CONTROL

The budgetary level of control is established in the Financial Policy section on funds and it determines the authority of the Fiscal Officer to reallocate appropriations between general ledger accounts. However, if the Board is presented with a budget at a different level of account detail for the appropriation resolution and subsequently entered into the minutes as being approved, then that becomes the level of control. The Fiscal Officer may only reallocate appropriations outside of that level of control with prior approval by the Board.

FIXED ASSET CAPITALIZATION

Fixed assets are defined as tangible assets for the Library with a useful life in excess of one year and an initial cost of \$500.00 or greater. The Fiscal Officer shall maintain fixed asset records, including any valuation and verification records, for all such items with sufficient information to permit the following:

- Identification and cost of the item;
- Adequate insurance coverage and records in the event of loss;
- Control and accountability of assets for the Board of Trustees.

Fixed assets will be assigned a property tag number that will be part of the fixed asset records. All computers and printers will also be assigned a property tag.

Items that become part of the physical building, that have an initial cost of \$500.00 or greater will be included in the improvement category. This can include the cost of professional services, such as architectural, engineering or legal fees, that are expended as part of the improvement. Improvements to the physical building, (such as water heaters, boilers, and shelving) that are greater than \$500.00 will not be tagged, but will be included in the improvements category.

DISPOSAL OF LIBRARY, FURNITURE, EQUIPMENT

The Board of Trustees authorizes the Fiscal Officer or their designee(s) to dispose of library furniture, equipment and materials by either sale or discarding, in accordance with the applicable statutes.

INSURANCE COVERAGE

Property/Error & Omissions

Responsibility for securing and maintaining adequate insurance coverage for property and errors and omissions is delegated to the Fiscal Officer. Insurance shall be maintained for adequate replacement value of covered contents. Annual review of errors and omissions policy limits shall be conducted by the broker and Fiscal Officer and the insurance premium amount shall be approved by the Board of Trustees.

Public Official Surety Bond

A bond is required for the Fiscal Officer each year by Ohio Revised Code § 3375.32. The amount shall be reviewed and approved by the Board of Trustees annually.

CERTIFICATE OF TRANSITION

As of April 21, 2021, a Certificate of Transition is required under ORC § 117.171. The purpose of the Certificate of Transition is to facilitate a smooth and efficient transition of power or change in position to benefit both incoming and outgoing fiscal officers as defined by ORC § 5705.51 (D), as well as the constituents. It should be provided by the outgoing fiscal officer to the successor before the outgoing fiscal officer's last official day in the position; however, if an immediate successor has not been appointed by the Board of Trustees, the Certificate of Transition should be addressed to the Board of Trustees, with the Board President countersigning as the recipient of the letter.

A draft Certificate of Transition will be maintained by the Fiscal Officer in case of their unexpected vacancy. The contents will mirror the required format of the required Certificate of Transition as much as practical and are defined in the Financial Procedures.

Revised: August 21, 2024

The Troy-Miami County Public Library accepts gifts of money, books, and tangible items which can be used to further the aims and purposes of the library as stated in its mission and policies. The library reserves the right to refuse a gift if the conditions of acceptance are contrary to these aims and purposes or would result in the incurrence of excessive expense or administrative support. The library does not normally accept items for permanent exhibit.

Ohio's public libraries are political subdivisions of the State of Ohio and are tax exempt governmental entities. As such, Ohio public libraries are organizations described in Section 170(c)(1) of the Internal Revenue Code of 1986, as amended (the "Code"). Contributions to organizations described in Section 170(c)(1) of the Code are "charitable contributions," and are therefore deductible under Section 170(a)(1) of the Code.

All monetary donations over \$50 will be approved by the Board of Trustees.

1. **Library material.** Material accepted by the library is subject to the Collection Development Policy. Material given to the library becomes the property of the library to be used or disposed of as staff deems appropriate. Material that is in good condition but is not added to the collection is typically included in book sales to benefit the library.
2. **Monetary Gifts.** The library gratefully accepts unrestricted gifts of money to be used at its discretion. Gifts for the enrichment of the library, other than library material, shall be accepted on an individual basis and subject to review by the Board. Monetary gifts given without restriction will be used to purchase material or equipment, to support library programs, or in other ways that the Board deems appropriate. Monetary gifts offered with specific restrictions, are subject to Board approval of such restrictions before they are accepted by the Board.
3. **Library Endowment Fund.** In addition to making direct library donations, individuals and organizations may contribute to the Troy-Miami County Public Library Endowment Fund at the Troy Foundation. The purpose of the Fund is to provide a perpetual source of stable support for the library.
4. **Dolly Parton's Imagination Library.** As the facilitator for the Imagination Library program in Miami County, the library will accept monetary donations for this program. Checks should have Imagination Library written in the memo line. Donations online or in cash should also indicate the purpose for the donation as Imagination Library.
5. **In-Kind Donations and Gifts.** As deemed appropriate by the Library Board of Trustees or their designee, the library will, from time to time, solicit financial support and in-kind donations from for-profit institutions and businesses. Appropriate recognition of these donations, as determined by the library, shall be made.
6. **Sponsorships.** The library welcomes sponsorship of programs, projects, events, and capital improvements from individuals and groups including but not limited to businesses and service organizations. Sponsorships must be approved by the Board. In assessing the suitability of soliciting or accepting a potential sponsor, the Board considers the public image of the sponsor, its line of business, and all of its products and services. Sponsorships are pursued if the Board determines that an association between the potential sponsor and the

library is suitable and will positively affect the public image that the library has established in the community.

7. **Evaluation of Gifts.** Gift items will be formally acknowledged if the donor wishes. The library will not appraise or estimate the value of gift donations. The responsibility for such assessment lies with the donor.
8. **Gifts to Staff and Trustees.** Staff and Trustees shall not accept gifts of any kind from members of the public or vendors, except for small items such as promotional items or cookies and candy, etc., which can be placed in the department and shared by everyone. All other gifts, including tips, must be refused or returned to the sender with an explanation that acceptance of gifts is strictly against library policy.

Such naming shall only be considered for an individual or family.

Named Rooms and Special Use Areas. Generally, only meeting rooms and designated special use areas shall be named for an individual, family, foundation or corporation. The proportion shall be determined by the Board who may take advice from such persons or other professionals as needed. Corporations experiencing name changes and desiring to update placards are responsible for all such costs involved.

Naming rights will remain in place for a period of at least 40 years, or as negotiated, and not extend beyond the normal life of the facility, whichever comes first for all contributions greater than \$50,000. Attire

Patrons are required to be fully clothed: This includes shoes and a shirt at all times.

Possession of Weapons

Weapons are prohibited in the library. The library Ohio Revised Code 2923.1212 states "Unless otherwise authorized by law, pursuant to the Ohio Revised Code, no person shall knowingly possess, have under the person's control, convey, or attempt to convey a deadly weapon or dangerous ordnance onto these premises." A weapon is defined as a handgun, rifle, knife, and/or any other object whose purpose or use is to inflict physical harm to another individual.

Animals

When a person brings an animal, other than a service dog, into the library. Any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability is allowed inside library buildings or vehicles. The work or tasks performed by a service animal must be directly related to the individual's disability. TMCPL staff may ask if the animal is required because of a disability and what work or task the animal has been trained to perform.

For the Safety and Comfort of All

- Beverages should be in secured containers and may be limited to certain areas of the building. Food may be permitted at the discretion of the library manager or director. Food is not permitted in the Maker Lab or the Local History Library.
- Patron should not leave possessions unattended and/or blocking aisles or other patron spaces. The library is not responsible for lost or stolen property.
- Cell phones, radios, personal computers, and other devices should be kept at a volume that does not disturb other patrons or staff in the library.
- Adults should not attempt to solicit or engage any minor who is not under their care.

Unattended Children

- Responsibility for the care, safety, and behavior of children using the library rests with the parent/guardian or assigned caregiver, not with library staff. Under no circumstances does the library accept responsibility for a child.
- Young children should not be left unattended by parent/guardian or assigned caregiver.
- Caregiver should not leave children unattended or leave children after hours. If staff cannot contact the parent or guardian of an unattended child, the child will be referred to the local law enforcement agency.

o d

Any person who violates the Library’s Patron Code of Conduct policy may be asked to leave the library premises and/or have library privileges suspended. Authority to prohibit patrons from entering any TMCPL location beyond a single day will fall to branch managers and/or administrative staff. If a patron is suspended from one location, they are suspended from all Troy-Miami County Public Library Locations.

To consistently enforce the code of conduct, TMCPL has established guidelines for specific and/or repeated violations, resulting in loss of library privileges as described below. Consequences for violations not specified here will be evaluated on a case-by-case basis.

Failure to abide by imposed suspension periods may be viewed as criminal trespassing per Section 2911.21 of the Ohio Revised Code and violators may be prosecuted. Persons convicted of damaging or stealing library property will be held liable for full restitution.

Appeal Process

In cases where there is disagreement with the suspension, a patron may appeal the suspension by making an appointment to discuss the matter with the Executive Director. Final appeals may be presented to the Library Board via the Public Participation portion of a monthly trustee meeting.

Pest Control Policy

[Approved February 15, 2017 by the Troy-Miami County Public Library Board of Trustees]

It is the responsibility of the Troy-Miami County Public Library to maintain a healthy and clean environment for all library users and to protect the investment in library collections, equipment, and property. In order to fulfill this responsibility, the library may restrict a user's ability to borrow materials and/or to visit library facilities when such use may jeopardize the health and cleanliness of library facilities, collections, and users.

Examples of situations where borrowing of materials and/or access to library facilities may be suspended include, but are not limited to:

- Evidence that items on loan to a patron may have been returned with insects that are known to damage library materials, or that can result in pest infestations in library facilities, e.g. roaches, silverfish, beetles
- Patrons or patron possessions with fleas, lice, or bedbugs

Should it become necessary to suspend library privileges of a patron in order to protect library collections, facilities or other users, notification of the suspension will be made by the director or public services manager.

Any patron that has privileges suspended under the terms of this policy may request reinstatement upon the ability to demonstrate that the situation that resulted in loss of privileges has been resolved.

For reinstatement requests relating to suspension due to pest infestation, decisions will be made based on evidence showing that the address in question has been inspected with no sign of infestation or that the residence has been treated. Confirming information may include copies of receipts for treatment, a letter from a licensed pest control company, or a written statement from the owner or property manager of a multi-family rental residence. In some circumstances, proof of a change of residential address may also be accepted. The director will make the decision about reinstatement of privileges.

Troy-Miami County Public Library
Pest Control Policy
PROCEDURES

When bed bugs or other pests are found, staff should adhere to the following procedures:

1. Immediately report the sighting to the manager. The manager will inform the director.
2. When found on library furnishings treat the area with disinfectant and remove furnishings from use until dry and re-inspected.
 - If the infestation appears to be beyond what disinfectant can control, contact the maintenance technician immediately for professional treatment.
3. When found on library materials:
 - Speak with the patron
 - Show patron infested materials and bugs, if possible
 - Suggest ways the patron can address the issue
 - Give patron Pest Control policy and explain potential consequences, including temporary revocation of use of the facility and materials
 - Explain how the patron can have privileges reinstated
 - Place note in ILS record with date and staff name/location
 - Treat item if possible
4. When seen on people or belongings of people inside the library, follow the basic procedures outlined above: Speak with the patron, provide suggestions on solutions, explain potential consequences, suspend library privileges until matter is adequately resolved, and specify what counts as proof of treatment or adequate resolution.

Petitioning and Solicitation Policy

[Approved January 15, 2014 by the Troy-Miami County Public Library Board of Trustees]

All library facilities are considered limited public forums and therefore provide access and use of designated library spaces to the general public. However, that access and use is limited to library purposes and approved activities.

Therefore, circulating petitions for signature in the library is prohibited. It disturbs the orderly operation of the library and may make some patrons feel harassed. Also, it may give the appearance that the library is supporting a specific cause or issue.

Library exterior spaces are considered public forums and petitioners are not restricted from seeking signatures within the guidelines established for this policy.

Petitioners may offer literature to individuals; however, petitioners are prohibited from placing leaflets on vehicles in library's parking lot.

Petitioners may not block doorways, prevent patrons from getting in or out of cars, use abusive language or behave in any way which is harassing or intimidating, or in any way interfere with a library patron's use of the library for its intended purpose.

Petitioners must stay clear of traffic lanes and vehicular entrances.

Petitioners may be asked to leave the property if these guidelines are not followed.

Exceptions to the policy include:

- Activities authorized and directed by the library administration include book/media sales/discounts/rebates in conjunction with programs or summer reading clubs.
- Patron surveys/polling.
- Fundraising initiatives conducted on behalf of the library or library volunteer groups, such as the Friends of the Library
- Solicitation and fundraising initiatives sponsored by the library staff and/or library volunteer groups, including book/food drives and levy campaigns.

Photography Policy

Approved: August 17, 2022 By the Board of Trustees of Troy-Miami County Public Library

POLICY

The public may take photographs and/or videos in public areas of the Library to record their own visit or capture a building's architecture. However, such photography and/or videography may not include other patrons without their permission as this violates the expectation of privacy within a limited public forum. Permission to photograph or video record individuals must be granted by those individuals or their guardians. Minors cannot give permission – only their guardian can grant permission. Library staff will not administer permissions for members of the public to take photographs and/or videos of other individuals. Anyone taking photos should be mindful that some cultures object to being photographed.

TMCPPL staff may stop any photography and/or videography that appears to interfere with TMCPPL's ability to conduct business, violates a patron's privacy or that compromises public safety or security.

Non-flash photography and/or videography is permitted at Library programs and events for personal use, provided that it is not disruptive. Library sponsored programs, events and classes may be photographed or videotaped for Library promotional or historical purposes by Library staff. Patrons may request not to have their photo taken.

Community organizations (legal nonprofits and governmental agencies) holding scheduled events or meetings in TMCPPL study, conference, or meeting rooms may arrange for their own photography or videography of their event. The public may photograph and/or video record community events or meetings so long as the activity does not compromise public safety or security or interfere with the ability of the meeting organizer to conduct the business of the meeting.

Photography and/or videography of the exterior areas of Library property is allowed, as long as such activity complies with the Patron Code of Conduct and does not interfere with the flow of traffic and with patrons or staff wishing to enter or leave the building.

Commercial Photography/Videography

No commercial photography and/or videography in Library facilities is permissible without the express permission of TMCPPL, which shall set forth the conditions under which the photography or videography may take place. Requests may be made to the Engagement Manager at hbaker@tmcpl.org or by calling 937.339.0502 ext. 134.

Media provisions:

TMCPPL welcomes news media photographers, videographers, and reporters documenting stories or projects that directly involve TMCPPL and its programs, resources and/or services, provided that notice is given and approved, the public use of the Library is not impeded, and the above provisions are followed. Requests may be made to the Engagement Manager at hbaker@tmcpl.org or by calling 937.339.0502 ext. 134.

We ask that news media photographers, videographers, and reporters do not approach minors for photography and/or videography requests unless an accompanying guardian grants permission. Minors are not able to provide consent and such requests are expressly prohibited.

We also ask that news media do not approach customers, or conduct or schedule interviews with the public, about non-Library stories or projects.

Individuals filming or photographing on Library premises have sole responsibility for gaining all necessary releases and permissions from persons who can be identified in any photograph. The Library undertakes no responsibility for obtaining these releases.

Photographing Materials

Researchers and journalists are responsible for obtaining permissions from material owners when photographing copyrighted material in the Library. Additional permissions must be obtained to photograph materials or items in special collections because of complex copyright issues in these areas.

DEFINITIONS

Photograph or photography - for purposes of this policy, photograph or photography means any method of media capture including image, video and audio recordings of any kind or process, including any method of still image or audiovisual capture now or in the future.

Library - for purposes of this policy, Library refers to buildings, property, and vehicles owned or leased by the Troy-Miami County Public Library.

Programs Policy for Troy-Miami County Public Library

Adopted February 16, 2022 by the Board of Trustees of Troy-Miami County Public Library

The Library supports its mission of connecting people with ideas and information by developing and presenting programs that provide additional opportunities to enrich, empower, educate, and entertain. Programming is an integral component of library service that:

- Expands the Library's role as a community resource
- Introduces patrons and non-users to Library resources
- Provides entertainment
- Provides opportunities for lifelong learning
- Expands the visibility of the library

Ultimate responsibility for programming at the Library rests with the Director, who administers under the authority of the Board of Trustees. The Director, in turn, delegates the authority for program management to other staff throughout the system.

Not all programs and events that occur in the library are covered by this policy. Library meeting and study rooms can be used by the public without being defined as library programming and are governed by the Meeting Room Use Policy. This policy is intended to cover library managed and library sponsored programs as well as programs that are library partnerships with external organizations.

The Library's staff use the following criteria in making decisions about program topics, speakers, and accompanying resources:

- Community needs and interests
- Availability of program space
- Treatment of content for intended audience
- Presentation quality
- Presenter background/qualifications in content area
- Budget
- Relevance to community interests and issues
- Historical or educational significance
- Connection to other community programs, exhibitions or events
- Relation to Library collections, resources, exhibits and programs

In addition, the Library draws upon other community resources in developing programs and actively partners with other community agencies, organizations, educational and cultural institutions, or individuals to develop and present co-sponsored public programs. Professional performers and presenters that reflect specialized or unique expertise may be hired for Library programs. Performers and presenters will not be excluded from consideration because of their

origin, background, or views, or because of possible controversy. Library staff who present programs do so as part of their regular job and are not hired as outside contractors for programming.

All Library programs are open to the public. Most library programs are free however, a fee may be charged for certain types of Library programs. The Library's philosophy of open access to information and ideas extends to Library programming, and the Library does not knowingly discriminate through its programming. Library sponsorship of a program does not constitute an endorsement of the content of the program or the views expressed by participants, and program topics, speakers and resources are not excluded from programs because of possible controversy.

Registration may be required for planning purposes or when space is limited. Programs may be held on site at any Library location, or off site. Any sales of products at Library programs must be approved by the Library and benefit the Library. Programs are not used for commercial, religious, or partisan purposes or the solicitation of business.

External organizations or individuals partnering with the Library on programs must coordinate marketing efforts with the Library's Community Engagement Manager.

Programs sponsored by the Library within the Library or at off-site library-sponsored events may be photographed or video-recorded by library staff or its representatives for use on the library's website or social media pages.

The Library welcomes expressions of opinion from patrons concerning programming. If a patron questions a library program, they should first address the concern with a Library staff member. Patrons who wish to continue their request for review of Library programs may submit the Request for Reconsideration form. After receiving a completed Request for Reconsideration, the Library Director will appoint an ad hoc committee of three professional staff to consider the request. The Director will respond in writing to the patron.

Public Records & Retention Policy of Troy-Miami County Public Library

Approved: October 16, 2013

Revised: February 15, 2023

Revised: October 18, 2023

Introduction:

It is the policy of the Troy-Miami County Public Library that openness leads to a better informed citizenry, which leads to better government and better public policy. It is the policy of Troy-Miami County Public Library to strictly adhere to the state's Public Records Act. All exemptions to openness are to be construed in their narrowest sense and any denial of public records in response to a valid request must be accompanied by an explanation, including legal authority, as outlined in the Ohio Revised Code. If the request is in writing, the explanation must also be in writing.

Section 1 Public records

This office's records, in accordance with the Ohio Revised Code, and applicable judicial decisions, are defined as any item that (i) contains information stored on a fixed medium (such as paper, electronic – including but not limited to email – and other formats); (ii) is created or received by, or sent under the jurisdiction of a public office and (iii) documents the organization, functions, policies, decisions, procedures, operations or other activities of the office.

Section 1.1 It is the policy of the Troy-Miami County Public Library that, as required by Ohio law, records will be organized and maintained in order to be readily available for inspection and copying (See Section 4 for the e-mail record policy). All records of the Troy-Miami County Public Library are public unless they are specifically exempt from disclosure under the Ohio Revised Code.

Record retention schedules will be readily available upon request. A posting describing our public records law will be placed in a conspicuous spot in all agencies.

Section 2 Record requests

Each request for public records should be evaluated for a response using the following guidelines:

Section 2.1 Requests must be made to the Library Director or Fiscal Officer by email, telephone, onsite, mail, or fax. Although no specific language is required to make a request, the requester must at least identify the records requested with sufficient clarity to allow the Library Director or Fiscal Officer to identify, retrieve, and review the records. If a requester makes an ambiguous or overly broad request or has difficulty in making a request for copies or inspection of public records under this section such that the public office or the person responsible for the requested public record cannot reasonably identify what public records are being requested, the public office or the person

responsible for the requested public record may deny the request but shall provide the requester with an opportunity to revise the request by informing the requester of the manner in which records are maintained by the public office and accessed in the ordinary course of the public office's or person's duties. ORC §149.43 (B)(2)

Section 2.2 This office may ask the requester to provide his identity or the intended use but will inform the requester that the requester may decline to disclose this information. The request does not have to be in writing.

Section 2.3 Public records responsive to the request are to be available for inspection during regular business hours, with the exception of published holidays. Public records will be made available for inspection promptly. Copies of public records will be made available within a reasonable period of time. "Prompt" and "reasonable" take into account the volume of records requested; the proximity of the location where the records are stored; and the necessity for any legal review of the records requested.

Section 2.4 Each request will be evaluated for an estimated length of time required to gather the records, an estimated cost if copies are requested, and any items within the request that may be exempt from disclosure.

Section 2.5 Any denial of public records requested must include an explanation, including legal authority. If portions of a record are public and portions are exempt, the exempt portions will be redacted and the rest released.

Section 3 Costs for Public Records

Those seeking public records will be charged only the actual cost of making copies. All copying will be handled by the staff member in charge of the requested record.

Section 3.1 The charge for paper copies is 10 cents per page.

Section 3.2 The charge for downloaded computer files to a flash drive is \$1 flash drive.

Section 3.3 There is no charge for a record to be emailed. Requesters may ask that documents be mailed to them. They will be charged the actual cost of the postage and mailing supplies.

Section 4 E-mail

Documents in electronic mail format are records as defined by the Ohio Revised Code when their content relates to the business of the office. E-mail is to be treated in the same fashion as records in other formats and should follow the same retention schedules.

Section 5 Photography/Videography

The public areas in Troy-Miami County Public Library facilities are part of a public environment. Troy-Miami County Public Library frequently engages in photographing and recording programs and events for its own publicity and promotional purposes. Library staff may cease and delete any photography and video recording upon a request from a

patron or staff. Photographs will be made available in accordance with our public records policy.

News photographers and reporters are welcome in the Library system. News media may request additional library information and/or access by contacting the Library's Market & Public Relations Manager. Valid press credentials may be requested by Library staff as needed.

Section 6 Security Cameras

We have installed video cameras in specific areas both inside and outside of Troy-Miami County Public Library buildings. These cameras serve the purpose of ensuring the safety and security of our patrons, staff, and library property. They also help in identifying individuals who might be breaching our Patron Code of Conduct. Any footage captured by these security cameras will be made available in accordance with our public records policy.

Section 7 Failure to respond to a public records request

The Troy-Miami County Public Library recognizes the legal and non-legal consequences of failure to properly respond to a public records request.

Library Records Commission

The Troy-Miami County Public Library will create and maintain a records commission composed of the Director, Members of the Board of Trustees, and the Fiscal Officer.

1. The Records Commission will meet at least once every twelve (12) months coinciding with the October regular meeting of the Board.
2. The functions of the Records Commission are to review applications for one-time disposal of obsolete records (RC-1), certificates of record disposal (RC-3), and to ensure that records which can be disposed of without an RC-3 are done so in accordance with the record retention schedule approved by the Ohio Historical Society and Auditor of State (RC-2).
3. The Records Commission will ensure record retention schedules are updated regularly and are made readily available to the public.

Records Disposal Procedures

1. No record may be disposed of when subject to or likely to be subject to current or pending litigation, claim or proceeding.
2. When the Troy-Miami County Public Library Records Commission has approved a Library application for one-time disposal of obsolete records (RC-1) or a certificate of record disposal (RC-3), the commission must send that application or certificate to the Ohio Historical Society (OHS) for review.
3. OHS will review the application within sixty (60) calendar days after receipt. Upon completion of its review, OHS will forward the application for one-time disposal of obsolete records or the certificate of record disposal to the Auditor of State for the Auditor's approval or disapproval.
4. The Auditor must approve or deny the application or schedule within sixty (60) calendar days after receipt.
5. Records considered transitory in nature with durations listed as "Until no longer of use" may be disposed without certification notice to the Ohio Historical Society. Record series with defined durations may be disposed without certification notice to the Ohio Historical society but will be logged internally at the time of disposal. A list of items disposed will be part of the board meeting and included in the board minutes.
6. Public records that require Ohio Historical Connection (OHC) review before their disposal must be identified by the TMCPL Records Commission through submission of an RC-1 or RC-3. The OHS must be given a period of fifteen (15) business days to select for its custody those public records that it considers to be of continuing historical value. RC-1 forms are used for a One Time Disposal of Obsolete Records that are no longer created or maintained. These records will no longer be included on the RC-2 but their disposal will be documented through submission of the RC-1 to the OHC and approved by the Auditor of State. RC-3 forms are only required for records series indicated by OHC on the TMCPL Records Retention Schedule (RC-2 form).
7. Disposition schedules noted as "until audited" and "provided audited" denotes audits performed by the Auditor of the State or other contracted independent auditors.
8. The Ohio Historical Society may not review or select for its custody any records pursuant to Ohio Revised Code Section 149.432 providing confidentiality of library records and patron information.
9. Records of possible historic value will be offered to the Library's Local History Branch in lieu of destruction, and if accepted will be accessed, used and disposed as determined by the policies and procedures of the Local History Branch.
10. Records approved for disposal will be shredded, boxed or bailed for recycling. All bound books or records unable to be shredded will be burned at a county incinerator or otherwise disposed of as approved by the Fiscal Officer.
11. Unless otherwise noted, retention schedules apply to original documents only. Copies or duplicates may be disposed when determined to be no longer of administrative value.

Service Dog Policy of Troy-Miami County Public Library

Approved: September 20, 2023

Any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability is allowed inside library buildings or vehicles. The work or tasks performed by a service animal must be directly related to the individual's disability. TMCPL staff may ask if the animal is required because of a disability and what work or task the animal has been trained to perform.

A service animal is not required to wear a harness, tags or other information indicating that it is a service animal. TMCPL staff shall not require proof of certification or other such evidence of service animal status before permitting the service animal to accompany the person with a disability. In accordance with the ADA, TMCPL requires service animals to be under the control of their handlers. The TMCPL is not responsible for the care or supervision of service animals.

In accordance with the ADA, TMCPL may ask an individual with a disability to remove a service animal from the premises if:

- (i) The animal is out control and the handler does not take effective action to control it;
- or
- (ii) The animal is not housebroken; or
 - (iii) The animal acts in a vicious or aggressive manner.

If an animal is properly excluded, TMCPL shall give the individual with a disability the opportunity to obtain services and accommodations without having the service animal on the premises.

Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition and are not allowed inside the library.

Other Guidance

In the event someone has severe allergies to animals or has asthma, the TMCPL staff will make a risk assessment in accordance with the criteria and procedures set forth herein. Volunteer Policy of Troy-Miami County Public Library

Approved: February 2, 2010

Revised: January 19, 2022

March 15, 2023

The Troy-Miami County Public Library Volunteer Program is designed to expand and enhance public service to the community. Volunteers generally provide support services to paid staff or work on special projects.

Volunteers are expected to act in accordance with all library policies and to reflect positive customer service attitudes to all library patrons.

Selection of Volunteers

Volunteers are selected based on their qualifications in relation to the needs of the library at any given time, and based on their ability to commit to a consistent schedule of volunteer hours. If there are no suitable volunteer opportunities at the time of application, forms will be kept on file one year. Applicants will be called if a project is identified which matches their interests or qualifications.

Guidelines

1. Volunteers shall conduct themselves in a professional manner, are expected to adhere to all library policies and procedures, and must accept the guidance and decisions of the paid staff.
2. Volunteers are recognized by the public as representatives of the library and shall be guided by the same work and behavior code as employees.
3. Volunteers work under an at-will status and may be discharged with or without cause or advance notice.
4. Volunteers must maintain confidentiality of all proprietary or privileged information whether this information involves an individual staff member, volunteer, patron, or involves library business.
5. Volunteers will not be compensated by wages, benefits or any other means.
6. Volunteers may have their photograph taken as part of library promotions.
7. Volunteers are asked to wear a name badge that identifies them as a volunteer.
8. Volunteers must stay within the bounds of their given responsibilities. Volunteers are expected to refer all requests for information to the library staff, other than purely directional questions (e.g. "where is the bathroom?"; "where is the children's room," etc.)
9. Volunteers must be reliable in their commitment and to notify the library in advance if they are unable to work their regularly scheduled time slot. In turn, volunteers will be notified immediately on any given day when the library opens late or closes early for any reason.
10. Volunteers must keep an accurate record of the hours they work each week for use by Administration.
11. The library is generally unable to accommodate court-ordered community service.

12. Volunteers under 18 need a parent or guardian signature.

13. Volunteers over 18 will be asked to submit to a background check.

14. The Human Resources Manager shall oversee the use and recognition of volunteers. Each department that uses volunteers shall designate a Volunteer Supervisor to train and supervise volunteers.

Youth Library Card Policy

[Approved January 21, 2016, by the Troy-Miami County Public Library Board of Trustees]

Troy-Miami County Public Library seeks to limit barriers to service for all ages. The library staff acknowledges the fact that some children are not responsible for fines/fees accrued on their cards as a result of misuse by their parents or guardians which results in loss of library privileges. In an effort to serve these children, the library will offer Youth Cards in certain circumstances as defined below. The Youth Card will allow the child to check out up to two books on the bookmobile. The books must be returned before others can be checked out.

Youth cards would be offered to minors (ages 5-17) under the following conditions:

- The child currently has a library card with fines/fees that no longer allow use of the card.
- The child does not have a library card and does not have a parent with them.
- The child knows their first and last name.
- The child knows the name of the street they live on.
- The child knows their date and month of birth *and* either their year of birth or their age.

Library staff reserves the right to determine which children are eligible for this card. Initially, Youth Cards will only be offered to bookmobile patrons and will only be accepted at bookmobile stops.

Youth Cards will not accrue overdue fines and there will be no charge for damaged items. However, lost materials must be returned or paid for before the card can be used again.

Once the child turns 18, the Youth Card will expire and will be deleted. At that time, a child can obtain an adult card. If the child has a regular card with fines/fees in excess of those allowed, those charges will be waived and the child will be given a fresh start.

Procedures for Staff

Either the parent or child can fill out the Youth card application.

A full address is requested and preferred. If all other information is provided, however, the name of the street, without the house number, will be accepted.

Youth cards will expire on their 18th birthday.

Youth cards will be hole-punched in the upper left hand corner to easily identify them.

All Youth cards will be blocked stating: Youth card – limit of 2 books – bookmobile checkout only.

All Youth cards will be placed under the patron code of TMC Provisional.

Notifications will not be sent out for items on Youth cards.

Reserves may be made on Youth cards – up to two items and only books, for bookmobile pick-up only.
