

Fun for All

Paws to Read

Practice working on your reading skills with Jax, an adorable and non-judgmental therapy dog. Handler, Michelle Eilerman, will be bringing Jax who is certified through the MVPT Association. All ages and abilities are welcome to participate.

► Registration is required and you will be given a 15-minute time slot. Please reserve a spot two weeks prior to each session at www.tmcpl.org/libcal.

Mondays • 5 - 6 p.m. (Weekly)
Apr 1, 15, 22, 29

NEW - Leaders & Littles

Teens will take the lead during this storytime with the littles! Teens will be partnered with a preschool-aged little to read a picture book on a selected theme and then help their little buddy with a craft. All supplies will be provided. For teens in grades 6-12 and preschool ages (4-5).

► Registration is required. Please reserve a spot beginning two weeks before each session at www.tmcpl.org/libcal

Mondays • 3:30-4 p.m.
Apr 15 and Apr 29

Library Land of Magical Creatures

Join us each month for a family-friendly evening adventure! Dragons and fairies will come to life for a night of fantastical fun. No place is better to play make-believe than the land of books.

Thursday, Apr 25 • 6 p.m.

Homeschool Art Show Opening Night Gala

Join us for an evening to recognize the young artists participating in our Homeschool Art Show. Each artist will be recognized and allowed to discuss their artwork. Light refreshments will be offered for this special evening event. Students are encouraged to invite all friends and family to view the art on exhibit.

Thursday, May 2 • 6 - 8 p.m.

Star Wars Day Celebration

Jedi's gear up for a fun training session in the Brukner Park behind the library. A craft, activity, and special visit from Star Wars Characters will be included. Drop in any time between 11-1 pm

Saturday, Apr 27 • 10 a.m.

S.T.E.A.M. Learning Satisfy Curiosity

Solar Eclipse Viewers

Drop-in at the library and make a safe and simple DIY eclipse viewer with a box, some tin foil, and a few household craft supplies! Available for all ages while supplies last.

*This will not be a direct viewing device. You will look through the viewing hole, you will see a tiny circle of light on the image screen; that's the sun. During the eclipse, you'll see the shadow of the moon pass in front of the sun.

Monday, April 1 • 4 - 6 p.m.

Lego Builders

Complete challenges, work together and practice STEM concepts with friends. Perfect for elementary students in grades K-5.

► Registration is required. Please reserve a spot beginning two weeks before the session at www.tmcpl.org/libcal
